STUDY MBBS | MD | MS IN NEPAL

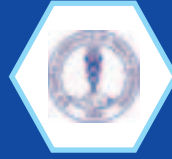

Recognized by NMC, Approved by WHO & MCI
English Medium | Affordable Cost | Payable in Installment

Tribhuban University (TU)

Kathmandu University (KU)

B.P. Koirala Institute of Health Science (BPKIHS)

Patan Academy of Health Sciences (PAHS)

Medical College in NEPAL

Nepal has been receiving much attention from international students who are looking to MBBS Admission in Nepal. Their medical institutions are fully equipped with all the required amenities to teach and share information concerning the medical science

Currently, there are four categories of MBBS colleges in Nepal-those that are affiliated with Tribhuvan University, Kathmandu University, B.P. Koirala Institute of Health Science and Patan Academy of Health Science.

The Bachelor of Medicine and Bachelor of Surgery (MBBS) is a four and a half year integrated program followed by a compulsory internship training of one year. Generally, the MBBS program is divided into three parts: the first two years of study consists of basic medical sciences. These years also include an introduction to clinical sciences. Over the next two and half years, students learn the principles and skills of clinical medicine by rotating through various medical specialties. The final one year consists of internship.

Reasons to Choose MBBS/BDS in Nepal

- ❖ Degree is Recognized by Medical Council of India & Srilankan Medical Council, Srilanka
- ❖ Curriculum of Global Standard
- ❖ WHO Enlisted Institutions
- ❖ Affordable cost and fee can be paid in Installments
- ❖ Qualified and Experienced teaching Faculties
- ❖ Friendly Environment with food & Culture similar to India & Srilanka
- ❖ Colleges have Own hospitals with good patient flow
- ❖ Easy transportation from Srilanka
- ❖ Many Srilankan Students doctors have already passed from Nepal and working successfully
- ❖ The MBBS degree awarded by TU/KU is formally recognized by all SAARC, Commonwealth & ASIAN countries and is reciprocally recognized by Europe, Asia, Middle East, America, Australia and African continents.

Advantages of MBBS in Georgia

Georgia is a European nation and it has achieved worldwide recognition in a very short span of time due to its economic growth, high-quality education system, weather condition, hospitality, and more. The capital city Tbilisi is not less than Paris. It is a beautiful city. Georgia is a powerful nation situated at the east end of the Black Sea and south region of the Greater Caucasus Mountains - its main crest. It enjoys the boundary by Russia on the north and northeast, by Azerbaijan on the east and southeast, by the Black Sea on the west, by Armenia and Turkey on the southern region. Thus, it has strong boundaries and enjoys good geographical distribution. The weather in the country is favorable, 24x7 power and water facility, friendly people with a very welcoming nature, good and hygienic food. Above, all the cost of living for students seeking admission for MBBS in Georgia is comparatively too low.

Key Reason to Study MBBS from Georgia

- Reduced cost of accommodation will not burn your pocket and you can easily get accommodation at the most reduced rates.
- Universities are recognized by MCI, WHO, and other international bodies.
- World-class and modern amenities are offered to all the students which include 24x7 running water, electric supply, etc. which are made for students' comfort.
- Students don't have to give any entrance examinations; hassle-free admission is made available to the students.
- No needs to pay any donation or bribery, the universities take students directly.
- Safe and healthy studying atmosphere is provided to the students so that they can feel safer while living and studying away from their home.
- For non-Georgian language-speaking Indian students, language is not a barrier because English is the medium of instruction.
- The students will get a globally recognized degree.

MCI/NMC/NEXT Coaching in the Georgian Universities

- The top Georgian Universities arranges for MCI coaching for all the Indian students who are studying there.
- The students can return back to India post completing their MBBS course from Georgia to practice medicine in the Indian region.
- MCI Coaching in the Georgian Universities help in clearing the MCI Screening Test conducted every year.
